MOBILE APP FOR A NON-PROFIT ORGANIZATION

Brost Stiftung

The Brost Stiftung, The Brost Foundation is non-profit organization that supports socially deprived children and young people.

Challenge

Our client wanted to provide the soft ware which would allow informing the clients on news of the company and provide reference information: fund news, information on the forthcoming events etc.

The application should give opportunity of viewing of information of various formats, integration with one of content control systems.

Solution

The application meeting the objectives has been developed, which allows looking through information of the following types: HTML pages, video, images, PDF. The mobile application is integrated with WordPress CMS.

Technologies

Cocoa Touch API, UIKit framework

Wordpress CMS

Titanium Mobile Framework
